

Supply Clergy List – A-Z

This list is provided as a courtesy to churches of The Episcopal Diocese of New York only. The clergy listed here have indicated their availability for short-term supply work. If you want to invite a priest who is not on this list, please contact the Transition Ministry Office before you do, at 212-316-7421.

The Diocese of New York recommends the following minimum compensation guidelines for supply priests:

- \$180 for one Sunday service and sermon
 - \$270 for two Sunday services and sermon
 - \$100 for a week-day service
 - \$300 for a Funeral, including planning the liturgy and follow up
 - \$150 for a graveside service
 - \$400 for a Celebration and Blessing of a Marriage, including 3 preparatory sessions with the couple
 - \$180 or \$270 for Holy Week services of the Eucharist, with sermon, on Maundy Thursday
 - \$180 or \$270 for Holy Week services on Good Friday
- Note: Travel reimbursement in accordance with IRS rates applies to all of the above services.**
- Travel reimbursement includes all public transportation fares (with receipts) OR mileage at the standard IRS mileage reimbursement rate (54.5 cents per mile in 2018) and tolls.
 - Ministry in addition to the Sunday or week-day services is to be compensated at an additional hourly rate, plus travel, to be agreed upon by the parish and priest. For guidance please contact the Transition Ministry Office.
 - Statement of Pension Assessment: If supply clergy, who are active (that is, not retired and drawing pension benefits), and who supply for the same congregation for two or more consecutive months, a mandated assessment of 18% of the cash stipend is to be submitted to the Church Pension Fund, retroactive to the first month/Sunday of service.
